INSTRUCTIONS FOR AUTHORIZING THE RELEASE OF YOUR CALIFORNIA BOARD OF ACCOUNTANCY (CBA) RECORD(S)

This form is used for authorizing the CBA to release Certified copies of your record(s) to specified recipients.

Individuals interested in transferring their Uniform CPA Examination (CPA Exam) scores and/or license status to another state are encouraged to inquire about that state's requirements **prior** to submitting a request for certified CBA record(s). If you would like to request certified information regarding your supervisor or employer's CPA or Accountancy Firm license, please use the *Request for License Verification Form*, located on the CBA's Web site at www.cba.ca.gov.

Please note, the License Look-Up feature on the CBA's Web site also contains license status information on all California CPAs and Accountancy Firms. License status information is updated nightly to display up-to-date data, and is available on the CBA's Web site free of charge to all interested parties.

Step 1. Please carefully review all of the instructions on this form.

If you have questions or are unable to locate the information you need, please fax your questions to (916) 263-3676, email licensinginfo@cba.ca.gov, or contact CBA staff at (916) 561-1701.

Step 2. Complete the *Authorization for the Release of California Board of Accountancy (CBA) Record(s)* on Page 1.

To transfer your CPA Exam scores or license status to another state, you may use this authorization form to request the CBA to release your information. You must clearly identify what information is to be transferred, and **provide your signature** to authorize the release of your records. It is not necessary to include a self-addressed stamped envelope, as the CBA provides official envelopes for mailing certified records.

Many states require that applicants include certified board records with their application packet. For this reason, it may be necessary that your records are addressed to the other state board, but mailed to you for inclusion in your application packet. In the Release Statement box on page 1, clearly identify where you would like the records mailed, and to whom they should be addressed.

Step 3. Review the Sample CBA Records on Page 2.

Using the examples of available CBA records on page 2, please review the descriptions of each, and identify the type(s) you would like to request.

Step 4. Complete the Records Selection Charts on Page 3.

Using the Records Selection Charts on page 3, choose the type and number of records you would like to request, and calculate the total fee required.

To request a certified verification of your supervisor or employer's Accountancy Firm license, please use the *Request for License Verification Form* on the CBA's Web site at www.cba.ca.gov.

Step 5. Complete the necessary Additional Information section on Page 4.

After determining the type of record(s) needed from the Records Selection Charts on page 3, complete the various sections on page 4. **It is very important that you provide as much identifying information as possible.** If insufficient information is provided, the processing of your request may be significantly delayed.

Step 6. Remit \$25 for each certification with your completed authorization form.

The CBA charges \$25 for each certification. This includes certified letters confirming passage of and/or the scores received on the Uniform CPA Examination, certified verification of your CPA or Accountancy Firm licensure, and certified copies of your Certificates of Experience (formerly Form E or Form G).

Payment for certified CBA records must be made by check, cashier's check, or money order, payable to the California Board of Accountancy. Foreign applicants must verify with their bank that their checks are issued by a United States-affiliated bank and that they are printed with the bank's United States Federal Reserve account number.

License status information on all California CPAs and Accountancy Firms can be obtained without charge on the CBA's Web site. However, it is important to note that **many state boards and/or third-party agencies do not accept non-certified records.**

Step 7. Please allow 30 days for the CBA to process your record(s) request.

The CBA cannot process authorizations which are incomplete, unsigned, or received without payment of the applicable \$25 fee for each certification (for example: 3 certifications at \$25 = \$75).

The *Authorization for the Release of California Board of Accountancy (CBA) Record(s)* must be completed and signed, as you must approve the CBA's release of your information. **The address(es) where the records are to be addressed and/or mailed must also be completed.**
